

My Review of

Ts, Ma

By: Abigail

Ts, Ma is a good family restaurant. The waiter says 10 minutes but the food comes in 5 minutes. It is quick. The waiters are polite. The people who work there put nice music

and it is very comfortable with nice decorations. The tables are sparkly clean all the time. The bathrooms are also very clean. I love the hot chicken and broccolli. Don't even ask me about the soup, it is ama-zing! T.S. Ma gives you a lot of food so it is like \$20 but the food is good! I think everyone should go to T.S. Ma! I give this restaurant 5 stars.
